"A prophet is only despised in his own country among his own relations and in his own house". These words have been fulfilled in the experience of Jesus. But they remain true in many situations of our own. The tendency to cut down the charismatic person who has the courage and the vision to raise questions to the established order is always with us. We are impoverished by this clinging to what we can own and control, and we create suffering as good and gifted people are ignored or pushed to the sidelines. There are still situations in the world where prophets are slain.

Our parish will conduct the annual Catholic Mission Church Appeal next weekend on July 14-15, 2018

'How beautiful upon the mountains are the feet of the messenger who announces peace, who brings good news...' Isaiah 52:7

This year we are invited to help to heal a nation through education in Myanmar. Led by Cardinal Charles Maung Bo, the Church is developing an alternative system of quality education, with comprehensive teacher training programs and the establishment of new schools, especially in remote areas. It has been called an "education revolution", and the potential impact is far-reaching. Please come prepared next weekend and give generously to this important work. You will have an opportunity to become an integral part of this inspiring work by joining as a monthly giving partner. This regular contribution will directly support education in Myanmar. **Freecall: 1800 257 296 catholicmission.org.au/Myanmar**
