AN INVITATION TO JOY! COME AND LISTEN

Monday 9th Sept & Thursday 12th September at 7:30pm.

St. Matthew's Catholic Parish in the Parish Hall, 180 Bryants Road, Cornubia 4130

In our contemporary situation, above all in Europe, a continuous process of secularisation has meant that we find ourselves faced with a practical paganism. To evangelise the people of today, the Church, following the Second Vatican Council, has to rediscover a synthesis of theology and catechesis in which the announcement (kerygma), change of life (moral practice) and liturgy form the new man who announces the risen Christ. The Neocatechumenal Way offers itself as a way that God has given to the Church after the Council opening within the parish of an itinerary of Christian initiation, similar to that of the primitive Church, carried out in stages, where contemporary man can be born into the new life that the risen Christ brought with his coming
