*“Jesus turned and saw them following him and said to them,
‘What are you looking for?’” - John 1:38*

When we recognize who we are, it's easier to find what we are looking for. Once we see ourselves, and others, as children of God, we spend less time looking for the material comforts of the world. Instead, our hearts long for something deeper that can only be filled by God. Ask God daily how He wants you to live the life He intended for you.

Message for New Year

As we prepare to begin 2024, we are hoping this new year brings a fresh and happier page that perhaps takes us back to a more normal world where we are able to connect and reconnect with others. We have many hopes for this new year. We hope it will be just what we like. We can certainly greet this new year with openness and excitement, thanking God in advance for a new beginning, new opportunities and a chance for renewal for ourselves, for our families, and for communities. As we pray and look ahead to 2024, we might find that the start of this new year is calling us to set aside anxieties and trust that God will continue to hold us in his hand.

Explanation of our Liturgical Years.

Each year, the Church begins a new liturgical year commencing in Advent (Years A, B and C). These years rotate thought out each calendar year. Each liturgical year contains four important cycles, which are: Advent, Ordinary Time, Lent/Easter and Extraordinary Times (Solemn Celebrations). We are now commencing an important cycle in Ordinary Time which is when God comes to us **always**.

As Catholic we are required to attend all Masses through out the year, the term Ordinary does not mean that the liturgical celebrations are less important, the Ordinary Time is the respective preparatory season of Advent and Lent.
